

In the Specification:

~~On page 2, line 1, please replace "psychological" with --psychological--.~~  
~~On page 3, line 3, please replace "deceasing" with --decreasing--.~~  
~~On page 5, line 3, please replace "causes" with --causing--.~~  
~~On page 5, line 23, please replace "pentaerythritol tetranitraate" with --pentaerythritol tetranitrate--.~~

On page 9, line 3, please replace "Increasing" with --increasing--.

On page 12, line 1, please replace "et al." with --et al.--.

On page 15, line 20, please replace "et al." with --et al.--.

~~On page 17, line 24, please insert --of-- prior to "PGE1".~~

On page 18, lines 14-15, please replace "et al." with --et al.--.

On page 18, line 23, please replace "invivo" with --in vivo--.

~~On page 20, line 13, please replace "exits" with --exists--.~~

In the Claims:

Please cancel Claims 1-19 without prejudice.

Please add the following new Claims.

- A
- 
20. A method of augmenting the actions of cAMP in one or more effector systems while reducing cAMP action in a nociceptive system in an anatomical site where nociceptive tissue is in close proximity to one or more effector systems comprising application of one or more agents which increases the level or augments the effect of cGMP.
21. A method of augmenting the actions of cAMP in one or more effector systems while reducing cAMP action in a nociceptive system in an anatomical site where nociceptive tissue is in close proximity to one or more effector systems comprising application of one
